Survival Cooking

Teens meet each Wednesday to learn some cooking skills. Gal, who leads the group, shared the day with Chef Claudia. Chef Claudia told club members all about lentils, the importance of gardening, and the impact that it can have on their health. The kids voted on whether or not they liked the marinara sauce that she made with lentils and they LOVED IT! Thanks so much. Chef Claudia!

Family Style Eating

Jonah and Royce enjoyed eating family style one day last month. Club members sat at round tables with the food in the center to try passing and eating as a club family. Trying something new was a fun adventure for them.
